
ICICS 2015

The Seventeenth International Conference on Information and Communications Security

Beijing, China, December 9 – 11, 2015

Call for Papers

Conference Overview

The 2015 International Conference on Information and Communications Security will be the 17th event in the ICICS conference series, started in 1997, that brings together individuals involved in multiple disciplines of Information and Communications Security in order to foster exchange of ideas.

ICICS 2015 will be co-organized by Institute of Software, Chinese Academy of Sciences, School of Software and Microelectronics, Peking University and Institute of Information Engineering, Chinese Academy of Sciences, sponsored by the National Natural Science Foundation of China.

Original papers on all aspects of information and communications security are solicited for submission to ICICS2015. Areas of interest include, but are not limited to:

- Access control
- Anonymity
- Anti-virus and anti-worms
- Applied cryptography
- Authentication and authorization
- Biometric security
- Cloud security
- Computer and digital forensics
- Cyber-physical systems security
- Data and system integrity
- Database security
- Digital currency
- Hardware security
- Information hiding and watermarking
- Intellectual property protection
- Intrusion detection
- Key management and key recovery
- Language-based security
- Network security
- Operating systems security
- Privacy protection

- Security for mobile computing
- Security in wearable computing and Internet of things

-
- Distributed systems security
 - Electronic commerce security
 - Engineering issues of cryptographic and security systems
 - Fraud and cyber-crime
 - Security models and Protocols
 - Security and Privacy of Big Data
 - Trusted computing and trustworthy computing technology
 - Usable security

Instructions for Authors

Authors are invited to submit original papers not previously published nor submitted in parallel for publication to any other conference, workshop or journal. All submitted papers must be anonymous, with no author names, affiliations, acknowledgements, or obvious references.

Submissions should be in English, as a PDF or PS file with all fonts embedded, in the Springer-Verlag LNCS format (details can be found at: <http://www.springer.com/computer/lncs?SGWID=0-164-6-793341-0>), typeset with 11pt font, and using reasonable spacing and margins. Papers should not exceed 12 A4-sized pages including the bibliography, but excluding well-marked appendices. Note that papers should be intelligible without all appendices, since committee members are not required to read them. Submitted papers may risk being rejected directly without consideration of their merits if they do not follow all the above submission instructions.

At least one author of each accepted paper should register the conference and give presentation at the conference.

Important Dates

Paper submission deadline: September 1, 2015

Notification of acceptance: September 28, 2015

Camera-ready due: October 9, 2015

Conference: December 9-11, 2015
